

Week 6 Progress

Milestones Met'

- States are finished
- Characters exist and have all properties needed for a final product

Next Week

- Write a few more tests for characters and resistances
- Begin and mostly finish the combat system with turns/actions

What did I learn?

- Characters were a very important part of the project and lead down some rabbit holes to ensure they were fully fleshed out

Burndown Rate

- 1/3 features complete
- 1/3 feature in progress
- 3/13 requirements complete
- 4/13 requirements in progress
